## Commune taxes at a glance

Invoices based on provisional computations are sent in February for the current year. Payment deadline for the current year's taxes: 30 September. Payment deadline for the final tax computation for the preceding year: 30 days from the date of invoice. The tax assessments will be dealt with in the order of receipt.

## The payment deadline for the 2024 commune taxes is 30 September 2024.

Interest on the amount of the commune tax is payable at the rate of 1,5 % for prepayments received by us up to 30 September of the tax year. Payment of interest is limited to prepayments for the current and the following tax year and to 120 % of the tax actually due or determined on the basis of a provisional tax invoice.

We will be obliged to levy penalty interest at the rate of 5 % on tax amounts received by us after the due date.

You will safeguard yourself against penalty interest charges by paying at least the amount of the provisional computation by 30 September.

Thank you for the prompt transfer of the tax amount due. Please use the delivered payment slip for remitting the due amount. [Further payment slips can be ordered here](#) or directly at the public administration (Tel. 061 425 52 25 or 21).
